PROFILE

Third-year Computer Science student with a strong interest in coding and problem-solving. I enjoy developing web applications and crafting intuitive, user-friendly experiences through clean, minimalist design. Always eager to learn new skills, build impactful projects, and expand my technical expertise.

EXPERIENCE

SOFTWARE DEVELOPER INTERN

Eduzere Technologies PVT | Kochi, Kerala

APR 2026 - MAY 2026

- Developed an employee management system using React, Node.js, Express.js and PostgreSQL.
- Implemented a centralized administrator dashboard to streamline the onboarding process of employees and interns and reduce manual effort.
- Automated offer letter generation and implemented QR codes for profile verifications

PROJECTS
